

10 Reasons to Partner with Us

CVGT Australia has built a reputation for quality and excellence in delivering employment services for more than 30 years. Why are we successful?

- 1 We listen to you** to understand your business and staffing needs, then tailor a solution to suit you.
- 2 We care about your success** because our success is measured by your success and the repeat business we gain from our customers.
- 3 We deliver what we promise every time.**
- 4 We are a one-stop-shop for your employment needs.** Our suite of employment programs are unique in our industry and allow us to combine programs to get the best results for you.
- 5 Our product knowledge is second to none.** We use our extensive industry knowledge to harness all the resources you will need and partner with other agencies to deliver benefits to you.
- 6 Our local employment consultants know your region** and are experienced and available when you need them.
- 7** When you employ one of our job seekers, **we stay in touch to make sure you're happy.** This is called post placement support.
- 8 We focus on employers.** We ensure that we provide employers with staff that are appropriately skilled and ready to work for them.
- 9 We can help you get available incentives*.** Let our industry experts advise you about all available government incentives for you and your employee. We constantly update our knowledge to give you the latest information on incentives and bonuses.
- 10 We make employing staff a hassle-free experience.** We take the stress out of recruitment with personal service and attention to detail.
